

Australian Umpire

The Australian Umpire Training Program is designed to train umpires in the advanced concepts of umpiring including self-management skills; performance analysis; knowledge of advanced hockey skills and techniques; rule interpretation; player management; co-umpire support; communication skills and risk management.

It is a comprehensive and challenging training program involving seminars, practical sessions, applied learning, self-development requirements and a practical evaluation. The program is directed towards umpires involved in a national under-age or senior national championship.

View Competencies

To gain an Australian Umpire accreditation you must be able to demonstrate the required competencies.

Australian Umpire Training Program

Seminars for the Australian Umpire Training Program will be conducted by Hockey Australia and dates for these seminars will be posted once they become available. The seminars will be primarily conducted in conjunction with a National Championship.

The seminars will cover four modules:

- Manage Self
- Manage Athletes
- Manage Others
- Manage Environment

Pre-requisite: Level 2 Umpire accreditation

Program Fee: Registration Fee of \$40 plus additional course fees set by the Provider.
