For the 2017 year the age groups are as follows:

U16

Born 2001 & 2002. Players born in 2000 may be "permitted" to play – see below.

U14

Born 2003 & 2004

U12

Born 2005 or after

Any child that is born after the specified dates is able to play in that age group also. For example if you are born in 2003, then you are allowed to play in the U16 competition, providing you have parental permission.

Persons who are over age require a permit to play out of age. Those who are 16 years old and wish to play in the U16 competition must satisfy criteria as set down by the permits committee. These Permits are all listed on the website
